

**CSN - MATH 181 CALCULUS I
SYLLABUS FALL 2020**

MATH 181 Section 3004 TWTh 2:00pm – 3:10pm

CLASSROOM: West Charleston Campus, D-211

INSTRUCTOR: Eric Hutchinson

OFFICE: West Charleston H101C

OFFICE PHONE: (702) 651-7512

EMAIL: eric.hutchinson@csn.edu

ONLINE OFFICE HOURS: Mondays through Thursdays 12:45pm – 2:00pm

ALTERNATE OFFICE HOURS: Online by appointment

COMMUNICATION: The best way to contact me is through either through my CSN email: eric.hutchinson@csn.edu, or through the CANVAS email. **NOTE: I will be sending all course announcements through CANVAS.** You can choose an email address to have your CANVAS announcements forwarded to, so make sure this is an address you regularly check and is active.

WEBSITE: <http://www.hutchmath.com> This web site MUST be accessed to obtain PDF copies of the syllabus, schedule, test review problems, notes, and videos. From the web site, click on MATH 181. No password is needed. Note: you can also access my homepage by opening a web browser and enter “Eric Hutchinson” and CSN in the search box. To find out more about your instructor, you can click on MY BIO. There is also a link to the tutoring center on the main web site. **NOTE:** We will **NOT** be using Canvas but we **WILL** be using MyMathLab in this course.

COURSE DESCRIPTION: This course will cover differentiation and integration of algebraic and transcendental functions with applications.

COURSE OBJECTIVES: By the end of this course, a student will be able to: 1) Analyze the concept of function limits and continuity 2) Differentiate functions using fundamental rules 3) Perform differentiation techniques such as the general power rule, chain rule, product rule, and quotient rule 4) Evaluate definite and indefinite integrals 5) Differentiate and integrate transcendental functions 6) Be able to apply and extend all concepts.

PREREQUISITE: MATH 126 with grades of C or better, and MATH 127 with grades of C or better, or MATH 128 with grades of C or better, or Satisfactory SAT/ACT/Placement Test score

REQUIRED MATERIALS: You MUST purchase a Lumen OHM student access code which will give you access to all the required assignments for this course. This also contains a digital textbook and gradebook. Ignore the fact that the title is ‘Precalculus’. In reality this is a generic code that is not course specific. With the course ID I will give you, this will ensure you are doing Calculus.

Title: Precalculus (OHM bundle)

ISBN: 9781640870789

Author: Lumen & Openstax et al.

Publisher: Lumen, Inc.

Cost: \$25 per course.

This code can ONLY be purchased from the CSN bookstore online. Please follow the instructions attached to this syllabus to register. The course ID and enrollment key will be provided in Canvas on the first day of class and will also be emailed to you.

CALCULATOR: A scientific calculator is required (not on a mobile device). A recommended scientific calculator is the TI-30XS Multiview. It has math print mode, so it displays exact answers in radical or fraction form. If you already have a graphing calculator then you may use it in class and during the exams. NOTE: I do not have a calculator to loan out during the exams.

MATERIAL COVERED: Selected sections from chapters 1 – 5.

HOMEWORK ASSIGNMENTS: Your homework will be done online in Lumen OHM. Each week there will be a group of homework section assignments due on Sunday nights at 11:59pm (see attached list to see which sections are due each week). Your first objective is due Wednesday, 9/2. Each week there are multiple sections of homework due, so you will want start working immediately once the course begins. These homework assignments make up 20% of your overall grade. These homework assignments are not something you can bang out in an afternoon. There are numerous problems to do so it's best to work on it in short chunks several times a week versus spending hours and hours on one day. The attached Lumen registration instructions will explain how to access the homework.

PRECALCULUS REVIEW EXAM: The precalculus review exam will be an online test that can be taken at home in Lumen OHM. This exam will cover precalculus review material that is covered in Chapter 1. The test will contain similar problems as what is in the Chapter 1 homework assignments, but with different numbers. Therefore, it will advantageous for you to keep a homework notebook, and you can use this during the precalculus review exam. This test will be graded by Lumen. You will have unlimited attempts available for this exam, and your highest score will be counted. This exam is due **Wednesday, 9/2**, at 11:59pm. The precalculus review exam makes up 5% of your overall grade.

TESTS: Tests 1, 2, 3 and 4 will be paper-and-pencil, in-class closed-book tests (see schedule for dates). You are NOT allowed any notes on Tests 1 – 4 (no notecards are allowed either). I will have review problem lists and practice exams for the in-class exams and final which is available from my web site. See schedule for exam dates. You MAY NOT use your mobile device as a calculator during a test. All mobile devices must be turned off or on vibrate and must be put away during the exams. The average of Tests 1, 2, 3, 4 will make up 50% of your overall grade.

FINAL EXAM: The final is a comprehensive, closed book exam which will be given on Thursday, December 10th during your regularly scheduled class period. You will be allowed ONE 4" by 6" card (both sides) for notes. You MAY NOT use your mobile device as a calculator during a test. The final exam is worth 25% of your overall grade.

EXTRA CREDIT: There will be an online final exam review assignment in Lumen OHM that will become available the week before the final exam. This will allow you to earn up to 5% that will be added to your final exam percent. In addition, your two lowest homework scores from the whole semester will be dropped. Besides this, no other extra credit assignments will be offered.

MAKEUP WORK AND EXTENSIONS: Once the exams have been passed back, there are no make-up exams or extensions. If you cannot take the exam on day it is scheduled, please contact the instructor to schedule an alternate time to take the exam (in my office breakroom) before the exams are passed back. Failure to complete a test (or the final exam) will result in a score of zero. Absolutely no makeups or extensions on the homework assignments.

ATTENDANCE POLICY: Due to the current pandemic, no attendance will be taken.

RECORDING: Please ask my permission before recording the lectures.

STANDARD OF WORK: When work/explanation is requested, correct answers generally must be supported by correct work to receive credit. You may lose credit, even if the final answer is correct, if the instructor can't easily read or understand your work, if necessary details, work, or interpretations are missing, if work is not logically presented in an easily understandable manner, or if work is shown but is incorrect and/or not consistent with your answer.

WITHDRAWALS: If you stop attending class or quit completing the required work, you will NOT be assigned an automatic "W" or "Withdraw" grade; you will receive a grade based on your percentage shown above on the grading scale. **If you wish to be withdrawn from this course, it is your responsibility to officially drop the course by the drop date listed in the college catalog/schedule of classes, which for this semester is October 30th (last day to audit is also October 30th).** The instructor CANNOT assign a "W" as a final grade under any circumstances.

GRADING:	Homework	20%	Grading Scale	≥ 92	A	
	Precal Review	5%		% Cutoffs:	90 – 91.9	A–
	Tests 1,2,3,4	50%		88 – 89.9	B+	
	Final Exam	25%		82 – 87.9	B	
				80 – 81.9	B–	
GRADING FORMULA:				78 – 79.9	C+	
0.2*HW + 0.05*Precal Review Test + 0.5*Test average + 0.25*Final Exam				70 – 77.9	C	
				68 – 69.9	D+	
OVERALL GRADE: Overall grades are given with teacher discretion, and overall percents are rounded to the nearest tenth.				60 – 67.9	D	
				< 60	F	

DATE OF LAST ATTENDANCE: Due to financial aid guidelines, CSN instructors are required to record a "Date of Last Attendance" (DOLA) for any student issued a failing grade. Any student who receives an F grade in this class shall have the corresponding DOLA recorded as the date on which the last coursework was submitted. If an F is to be issued and all the coursework is completed, the DOLA will be recorded as "FULLY ATTENDED". If no coursework is submitted, the DOLA will be recorded as "NEVER ATTENDED".

PUBLIC HEALTH DIRECTIVES (COVID-19) Students must follow all active CSN public health directives while enrolled in this class. Properly worn face coverings are mandatory for all faculty and students in the classroom as well as on campus. CSN public health directives are found at <https://at.csn.edu/covid-19>. Students who do not comply with these directives will be asked to leave the classroom. Refusal to follow the guidelines may result in further disciplinary action according to the CSN Student Conduct Code https://www.csn.edu/sites/default/files/documents/student_conduct_code_policy_1.pdf, including being dropped from the course.

STUDENTS' RIGHTS AND RESPONSIBILITIES: When you choose to become a student at CSN, you accept the rights and responsibilities of membership in CSN's academic and social community. You can find policies covering students such as the Student Conduct, Students' Right to Know, Students' Academic Integrity, and Disruptive and Abusive Student in the following locations:

- Catalog and Student Handbook: <https://www.csn.edu/catalog> in the Policies and Procedures section.
- CSN Website: <https://www.csn.edu/policies-procedures> under the heading "Student Policies."

ACADEMIC INTEGRITY: You are expected to complete your own work in this class. Cheating on exams or lab exercises is not fair to students who are honestly studying. Cheating is also subject to penalties, which can include getting a zero for the exam or lab exercise or failing the course. The full list of possible penalties is listed in the CSN Student Academic Integrity Policy. Please make yourself familiar with this policy (<https://at.csn.edu/documents/student-academic-integrity-policy>).

DISABILITY RESOURCE CENTER (DRC) – The College of Southern Nevada is committed to making physical facilities and instructional programs accessible to students with disabilities. If you have a disability that may have some impact on your work in this class and for which you may require accommodations, please visit the Disability Resource Center (DRC) so that such accommodations can be considered. All discussions will remain confidential. The Disability Resource Center (DRC) has offices at all three campus locations as the focal point for coordination of services for students with disabilities. If you have a physical, emotional, or mental disability that “substantially limits one or more major life activities (including walking, seeing, hearing, speaking, breathing, learning and working),” and will require accommodation in this class, please contact the DRC at WC (702) 651-5644 , or email at WCDRCStaff@csn.edu at NLV (702) 651-4045, or email at CYDRCStaff@csn.edu and at HNC (702) 651-3795, or email at HCDRCStaff@csn.edu. For Deaf and Hard of Hearing Services contact (702) 651- 4448, or email at Deaf.HH.Services@csn.edu. Students that receive accommodation letters, please meet with me to discuss the provisions of those accommodations as soon as possible.

CSN LIBRARIES: CSN Libraries provides support for students completing assignments that require research and the use of information. Librarians are available to students for one-on-one assistance locating and citing quality information either online (<https://library.csn.edu/ask/>) or at one of our campus libraries. Find more information on our website (<https://library.csn.edu/>).

CENTERS FOR ACADEMIC SUCCESS (CAS) The CAS provides quality DROP-IN academic assistance to all students enrolled in for-credit courses at CSN. CSN CAS Tutors are available online through Smarthinking, which is accessed in the Canvas online learning management system. View a tutorial video on how to access CSN Tutors/Learning Assistants online at How to Access CSN Tutors in Smarthinking. You may choose “Submit a Question” if you don’t have time for a live session. A Tutor responds to offline questions within 24 hours. Contact us at one of campus phone numbers, and we will assist you with accessing all learning support. Academic learning support includes assistance with placement test preparation, learning strategies, Canvas, Smarthinking online tutoring, Microsoft Office, reading, writing, oral presentations, math, and science. CAS Tutors also provide support in facilitating study groups. You may experience embedded learning assistance in one of your first-year courses. Professors and CAS Staff will make you aware of how to access services as part of your course curriculum. CAS is open Monday through Sunday to be more accessible to all students – Monday – Thursday 9:00 a.m. to 6:00 p.m. and Friday – Sunday 11:00 a.m. to 4:00 p.m. Smarthinking tutors are available 24/7. You may visit www.csn.edu/centers-academic-success for more details or contact us at one of our offices during our regular operational hours: Charleston Centers (702-651-5732), North Las Vegas Learning Commons (702-651-4232), Henderson Learning Commons (702-651-3125).

*Students will receive notification as on-ground tutoring services resume.

CHANGES: Information contained in this syllabus may be subject to change as deemed appropriate by the instructor with advance notification. Also note that this class could go all online depending on the pandemic and the governor’s direction. If this happens a modified syllabus will be given to you.

Homework Due Dates for MATH 181 FALL 2020

Week	Dates	Sections	Homework Due Date:
1	8/24 – 8/30	Sec 1.1 – 1.5	8/30/20 @ 11:59P
2	8/31 – 9/6	Sec 2.1 – 2.3	9/6/20 @ 11:59P
3	9/7 – 9/13	Sec 2.4, 2.5, 3.1, 3.2	9/13/20 @ 11:59P
4	9/14 – 9/20	Sec 3.3	9/27/20 @ 11:59P
5	9/21 – 9/27	Sec 3.3 – 3.5	9/27/20 @ 11:59P
6	9/28 – 10/4	Sec 3.6 – 3.8	10/4/20 @ 11:59P
7	10/5 – 10/11	Sec 3.9	10/18/20 @ 11:59P
8	10/12 – 10/18	Sec 3.9, 3.10, 4.1	10/18/20 @ 11:59P
9	10/19 – 10/25	Sec 4.2, 4.3	10/25/20 @ 11:59P
10	10/26 – 11/1	Sec 4.4 – 4.6	11/1/20 @ 11:59P
11	11/2 – 11/8	Sec 5.1	11/15/20 @ 11:59P
12	11/9 – 11/15	Sec 5.1, 5.2	11/15/20 @ 11:59P
13	11/16 – 11/22	Sec 5.3, 5.4	11/22/20 @ 11:59P
14	11/23 – 11/29	Sec 5.5	11/29/20 @ 11:59P
15	11/30 – 12/6	Sec 5.6	12/6/20 @ 11:59P
16	12/7 – 12/9	NONE	No Homework Due

EXAM DATES:

TEST 1 (2.1 – 2.6, 3.1, 3.2)

Wednesday 9/16

TEST 2 (3.3 – 3.8)

Wednesday 10/7

TEST 3 (3.9 – 3.10, 4.1 – 4.6)

Wednesday 11/4

TEST 4 (5.1 – 5.6)

Thursday 12/3

FINAL EXAM (CUMULATIVE)

Thursday 12/10

Tentative Schedule for MATH 181 FALL 2020

Date	Day	Section
8/25	T	Intro, 1.1
8/26	W	1.1, 1.2
8/27	R	1.2, 1.3
9/1	T	1.4, 1.5
9/2	W	2.1 PRECALCULUS REVIEW TEST & HW DUE AT 11:59PM (in LUMEN)
9/3	R	2.2, 2.3
9/8	T	2.3, 2.4
9/9	W	2.5, 3.1
9/10	R	3.1, 3.2
9/15	T	REVIEW
9/16	W	<u>TEST 1 (2.1 – 2.6, 3.1, 3.2)</u>
9/17	R	3.3
9/22	T	3.3
9/23	W	3.4, 3.5
9/24	R	3.5, 3.6
9/29	T	3.6, 3.7
9/30	W	3.7, 3.8
10/1	R	3.8
10/6	T	REVIEW
10/7	W	<u>TEST 2 (3.3 – 3.8)</u>
10/8	R	3.9
10/13	T	3.9, 3.10
10/14	W	3.10, 4.1
10/15	R	4.1, 4.2
10/20	T	4.2, 4.3
10/21	W	4.3, 4.4
10/22	R	4.4
10/27	T	4.4, 4.5
10/28	W	4.5, 4.6
10/29	R	4.6
11/3	T	REVIEW
11/4	W	<u>TEST 3 (3.9 – 3.10, 4.1 – 4.6)</u>
11/5	R	5.1
11/10	T	5.1, 5.2
11/11	W	<u>NO CLASS – VETERAN'S DAY RECESS</u>
11/12	R	5.2
11/17	T	5.3, 5.4
11/18	W	5.4
11/19	R	5.5
11/24	T	5.5
11/25	W	<u>NO CLASS – THANKSGIVING TRAVEL/PREP DAY</u>
11/26	R	<u>NO CLASS – THANKSGIVING RECESS</u>
12/1	T	5.6
12/2	W	REVIEW
12/3	R	<u>TEST 4 (5.1 – 5.6)</u> (Homework due at 11:59pm)
12/8	T	REVIEW FOR FINAL
12/9	W	REVIEW FOR FINAL
12/10	R	<u>FINAL EXAM (and last day of class)</u>

LUMEN OHM REGISTRATION INSTRUCTIONS

- 1.) Go to <https://ohm.lumenlearning.com> (There is also a link on my website.)
- 2.) If you have previously used Lumen OHM and already have a username and password from a previous course, you can enter it on the two white blanks above the LOGIN button. Otherwise, click the ENROLL IN A NEW COURSE button
- 3.) When it asks you to enroll in a course, enter the course ID and Enrollment key that appears when you log into this course in Canvas. It will also be emailed to you. Click the ENROLL button. NOTE: You will get two weeks of free access before it will ask you for an access code.
- 4.) On the next page it will ask you to sign in if you already have an OHM account. If you are new to OHM then you will need to sign up by picking a username and password. When you sign up, please use your official name with the college. Do not use abbreviations or initials. When it asks for an email address, make sure it is an email you regularly check.
- 5.) Once you login, you will see **MATH 181 FALL 2020 HUTCHINSON** as the name of the course. You will see a folder for each week of the course. You can access each folder by clicking on it and you can expand and collapse each one by clicking on the little black triangles. Each section for that week will contain a copy of my lecture notes, a link to the online textbook section, and the homework assignment. Remember homework assignments are always due on Sunday nights, and the assignment will also state its due date. Start by completing the OHM Student Assignment Tutorial. This will explain how to enter your answers as you work on the homework assignments.
